ANOTHER VIEW ON LAVAUX

Exclusively with our lakeside partner

*"A day on the lake is like three days away from home!
That's what the sailor that I am says."*

Let yourself slide downwind! It is often said that the wind from Lake Geneva is a wind of cinema, a moment of dream, of magic and peace to navigate, a unique moment of happiness and sharing in an exceptional setting.

For a day, be a star! Take advantage of a morning breeze to admire the landscape, dive into the blue waters of the lake at noon and savour a platter of local products at sunset while enjoying a glass or two of our best wines.

Sailing on the largest lake in Europe, surrounded by mountains, is one of the most beautiful and exciting experiences.

We will ensure you have everything you want on board: soft drinks, local wine, picnic basket, all carefully prepared by our local caterer, sunscreen, and photo souvenirs.

The route will depend daily weather conditions.

Fondue or raclette can be served on request.
