

WINES AND TERROIRS

GREAT WINES EXPERIENCE

Lausanne joined the prestigious Network of Capitals of Great Vineyards in early 2018*. To illustrate this theme, an experience is offered to you which brings together the two vineyards surrounding the Swiss wine capital.

Your stay will take place in an Art-Deco style hotel which is one of the unsung treasures in the heart of the city. The art of pampering guests is cultivated here. The terrace shaded by century-old chestnut trees invites you to relax and if the weather turns capricious, the charming restaurant will offer you an elegant retreat that will delight your taste buds.

Heading east from Lausanne, explore the emblematic Lavaux Terraced Vineyard, listed as a UNESCO World Heritage site, accompanied by a certified heritage guide. Set off to discover this unique and vibrant landscape. You will learn its history, discover the splendour of this living cultural landscape and taste its wines at one of its wineries.

From April to October, we invite you to go aboard a *Belle-Époque* steamboat to add even more picturesqueness.

Heading west of Lausanne, discover the colourful rural landscape of the La Côte vineyard, whose villages have retained the charm of the lordships to which they once belonged. You will be welcome in one of the estates of the City of Lausanne, which will offer you a tasting of its wines, accompanied by some finger food.

Depending on your choice or if you don't have your sea legs, you can enjoy private transportation that will take you from the hotel door to the vineyard.

Half day or full day, you can experience this adventure as you wish, and we will be happy to take you there.
