CITY ACTIVITY

LAUSANNE THROUGH TIME

Notre-Dame Cathedral in Lausanne is the most significant Gothic monument in Switzerland. Built in the 12th-century with Lausanne sandstone, it dominates the capital of Vaud from the hill of La Cité.

Discover the lost symbolism of these exceptional places and the particularity that the cathedral of Lausanne represents in the evolution of Gothic architecture.

Your stay will take place in an art-deco style hotel, one of the unsung treasures in the city's heart. Here, people cultivate the art of pampering the guests. The terrace shaded by century-old chestnut trees, invites you to relax and if the weather turns capricious, its charming restaurant will offer an elegant retreat that will delight your taste buds.

Departing from the hotel, walk with your guide through the alleys that will take you to the foot of the hill of *La Cité*. Doing so, discover other architectural landmarks and highlights of the city.

Continue your visit to the time of the cathedral builders and obtain the keys to understand medieval symbols. Carry out the investigation, and discover the signatures of its surprising architects.

A friendly glass of wine will be shared on the terrace, overlooking the city and the panorama of Lake Geneva. A moment to share and ask all your questions about this magnificent city and its cathedral.

Please, book your activity simultaneously as your stay. Activity available only upon the cathedral's timetable.
